SEATLAND

SEATLAND OVER HISTORY

About Us

Seatland

The company started its production activities in 1959, producing different kinds of chairs. In the seventies, this company began to produce various types of office, public and home chairs. With the outstanding reputation that this company had in the field of metal industries of Iran, after on decades, for the first time, it began to manufacture chairs and benches by the application of metal and plastic. In the recent years, the various products and the high range of production along side of the application of technology and modern machinery quality.

Currently, the expansive rang of this company includes: office, home, restaurant and garden furniture, stadium and sports hall seats.

Nazari is a quality-oriented company in such a way that it has selected reddening quality (with the application of up-to-date technology), services, internal & external organization communications as its progress pattern.

Seatland a certified company.
