SEATLAND

SEATLAND HISTORY

About Us

SEATLAND company started its production activities in 1988, producing different kinds of chairs. In the seventies, this company began to produce various types of office, public and home chairs. With an outstanding reputation for this company both in the field of metal industries and furniture design, over time it began to manufacture chairs and benches by the application of metal and plastic. In recent years, the various products and the high range of production, along with the application of modern machinery, have expanded.

Currently, the company offers office, home, restaurant and garden furniture, stadium and airport seats.

SEATLAND is a quality-oriented company in which internal and external organizational communications are continuously improved.

SEATLAND is a certified company.
